

# Integrated Care Pathways 2007

27 and 28 June 2007, Savoy Place, London

Choose from over 40 presentations, case studies, workshops, masterclasses and legal updates – including sessions designed specifically for beginners, as well as those involved in the more advanced aspects of care pathway development

**PLUS** 21 posters outlining the latest international research and developments

With keynote presentations from:

**Kathy Bower**

Principal and Co-Owner  
The Centre for Case Management, USA

**Kris Vanhaecht**

Joint Chair  
The European Pathways Association (EPA)

**Marie Kehoe**

President  
The Irish Society for Quality and Safety  
in Healthcare

**Professor Massimiliano Panella**

Joint Chair The European Pathways  
Association, and Professor of Public Health  
Piedmonte University

**Hidehisa Soejima**

Vice President  
Saiseikai Kumamoto Hospital, Japan

Supported by

The seventh annual conference  
examining the latest  
developments in the role of  
care pathways in improving the  
quality of care

CPD accredited

**HEALTHCARE events**

*Specialists in the organisation of healthcare conferences*

# Integrated Care Pathways 2007

27 and 28 June 2007, Savoy Place, London

Care Pathways 2007 is the ONLY international conference for all those involved in monitoring and improving patient care through integrated care pathways, clinical pathways and critical pathways.

## Why attend?

This year's conference focuses on using care pathways to improve patient outcomes and meet patient centred goals. The conference brings together the latest research in the field, both internationally and from across the UK – as well as over 40 practical case studies and interactive sessions, in which leading practitioners will share their experience of implementing successful care pathways in practice.

## Programme highlights include:

- A stream focusing on 'Critical Success Factors' including variance, delivering on and monitoring patient centred goals and outcomes, gaining board commitment, multidisciplinary team working, clinical engagement and training frontline staff.
- Masterclasses including a methodology masterclass comparing pathway methodologies from around the world, a masterclass on managing multiple pathways, and a managers masterclass on managing the ICP team.
- A stream exclusively focused on updating delegates on what's happening in the UK with presentations from England, Wales, Scotland and Northern Ireland
- Speciality focus sessions on clinical areas including primary care, mental health, end of life care, medicine, surgery and pathways that cross healthcare boundaries
- Legal update session and workshop
- Closing session discussing the implications of eCare Pathways

You'll also have the opportunity to take part in our conference debate – The Value of Variance.

## Poster displays

A series of 21 poster displays outlining some of the latest research and developments in care pathways will be available for delegates to view throughout the conference.

## Evening reception

You are invited to an informal drinks reception at the end of the first day of the conference. The event provides a unique opportunity for delegates, speakers and exhibitors to share news and network in a relaxed atmosphere.

# Conference workshops Stream C

## DAY ONE

### 11.40 – 13.10 WORKSHOP A: PRIMARY CARE

**Chairman: Katy Stainsby** *Care Pathway Co-ordinator* Gateshead Primary Care Trust and *National Care Pathway Facilitator* Department of Health

#### Pathways in primary care

- Tim Drowley**  
*Integrated Care Pathway Facilitator*  
Trafford Primary Care Trust
- developing pathways in primary care: key issues
  - focusing on the whole patient journey: breaking down barriers between organisations
  - a walk through a primary care pathway

#### Pathways and commissioning

- Katy Stainsby**  
*Care Pathway Co-ordinator*  
Gateshead Primary Care Trust and  
*National Care Pathway Facilitator*  
Department of Health
- a step by step guide to pathways role in commissioning in practice

### 14.00 – 15.00 WORKSHOP B: MENTAL HEALTH

**Facilitator: Mark Fleming** *National Mental Health ICP Co-ordinator* NHS Quality Improvement Scotland

#### Care pathways in mental health

- Barrie Green**  
*Forensic Nurse Consultant*  
Humber Centre  
Hull and East Riding Community Health NHS Trust
- process mapping and assessing the current service
  - a step by step guide to planning and writing the ICP
  - stages, branch pathways, linking with outside agencies, CPA and setting goals
  - case study and a walkthrough our ICPs

#### Developing cross organisational pathways in mental health

Case Study: an ICP for maternal mental health

- Katy Stainsby**  
*Care Pathway Co-ordinator*  
Gateshead Primary Care Trust and  
*National Care Pathway Facilitator*  
Department of Health
- developing cross organisational pathways in mental health
  - developing and implementing the pathway
  - a walkthrough the care pathway

### 15.00 – 15.45 WORKSHOP C: PATHWAYS THAT CROSS HEALTHCARE BOUNDARIES

**Facilitator: Dr Michael Orgel** *Consultant in Substance Misuse* Edinburgh Community Drug Problem Service

#### Developing pathways that cross healthcare boundaries

Case study: An ICP for drug misusers

- Dr Michael Orgel**  
*Consultant in Substance Misuse*  
Edinburgh Community Drug Problem Service
- an integrated pathway for an integrated service
  - incorporating shared assessment tools, and shared IT provision
  - working together: overcoming the obstacles

#### Developing pathways that cross healthcare boundaries

Case Study: A leg ulcer ICP

- Jane James**  
*Clinical Nurse Specialist*  
*Tissue Viability*  
Carmarthenshire NHS Trust and  
Local Health Group
- focusing on the whole patient journey: working in collaboration across acute, community and private organisations
  - the pathway design process: from process mapping to implementation
  - a walkthrough the pathway which has become a county wide document

## DAY ONE *continued*

### 15.45 – 16.30 WORKSHOP D: MEDICAL PATHWAYS

**Facilitator: Dr Mark Kinirons** *Consultant Physician* Guys and St Thomas' NHS Foundation Trust and *Project Manager* Southwark and Lambeth Integrated Care Pathway for Older People with Falls (SLIPS)

#### The Year of Care Model: pathways for long term conditions

- Dr Helen Close**  
*Research Associate*  
Centre for Clinical Management  
Development Wolfson Research  
Institute
- a pathway based framework for care, support and self management of people with long term conditions
  - the Year of Care Model
  - case study: implementing the model for COPD and angina patients

### 16.30 – 17.10 WORKSHOP E: END OF LIFE CARE

**Facilitator: Deborah Murphy** *Directorate Manager/National Lead Nurse-LCP*  
*Hospital Specialist Palliative Care Team* Royal Liverpool University Hospitals  
NHS Trust

#### Implementing the National Pathway for Care of the Dying in a local setting

- Caroline Scates**  
*Head of Education*  
St Francis Hospice
- the challenge of implementing a national template in a local setting
  - implementing the Liverpool Care of the Dying ICP in St Francis
  - how this has helped us to support implementation in the local area and the issues this has highlighted

#### The supportive care pathway

- Jill Main** *Project Manager*  
Pan Birmingham Palliative Care  
Network, with **Claire Whittle**  
*National Care Pathways Facilitators*  
Department of Health, *Project  
Manager* Integrated Care Pathways  
Appraisal Tool Midlands SHA and  
*Lecturer* University of Birmingham
- implementing an ICP across different organisations and care settings
  - reducing variations in care at the end of life
  - developments in Birmingham

## DAY TWO

### 11.50 – 12.50 WORKSHOP A: SURGICAL PATHWAYS

#### Developing pathways for cardiac surgery: from pre admission clinic to post operative discharge

- Angela Hughes**  
*Care Pathway Coordinator*  
Cardiff and Vale NHS Trust
- developing a surgical pathway from pre admission to post operative discharge
  - variance recording in surgical pathways
  - a walkthrough the cardiac surgery pathway
  - next steps: developing a patient version of the pathway

### 14.00 – 15.10 WORKSHOP B: ICP LEGAL WORKSHOP

**Facilitator:** Capsticks Solicitors

#### Presentation

- liability for developers and users
- lessons from litigation
- tips for ICP developers and users

#### Facilitated discussion and workshop

Bring your legal queries and questions, or copies of pathways for Capsticks to advise on

## ▼ STREAM A: CRITICAL SUCCESS FACTORS

### 11.40 An introduction to care pathways: The basic methodology and components of a successful pathway

**Amanda Layton**

Director Layton Learning and Author 'How to successfully implement Clinical Pathways' and 'Developing Care Pathways'

- a step by step guide to pathway methodology
- key principles and critical success factors
- the challenges you are likely to encounter and tips for success
- examples in practice

### 12.20 Identifying elements of care critical to quality

**Dr Robert Fox**

Consultant Obstetrician and Gynaecologist and Lead for Integrated Care Pathways Taunton and Somerset NHS Trust

- setting goals and outcome indicators within the pathway
- how to identify the elements of care that you should focus on in the pathway
- case studies of pathways and pathway development in Taunton

13.00 Questions and answers followed by lunch and exhibition at 13.10

## HIGHLIGHTED SESSION: VARIANCE ANALYSIS AND OUTCOMES MONITORING

### 14.00 Valuing variance: variance, and variance analysis explained

**Maureen Gambles**

Research Fellow Marie Curie Palliative Care Institute Liverpool

- an introduction to variance and its essential role in pathways
- variance analysis explained
- types of variance and practical examples: individual, aggregate, positive and negative variances
- the practicalities of collecting variance information: the options
- examples from the Liverpool Care Pathway for the Dying

### 14.25 Analysing variance, and initiating change from variance

**Siobhan Toner**

Patient Journey Project Manager, with

**Susan Moloney**

Acting Accreditation Manager Beaumont Hospital, Dublin, Ireland

- developing guidance and structure for teams new to developing pathways
- dissemination of information obtained from variance tracking
- developing clear guidelines on the dissemination and utilization of information obtained from variance tracking: auditing, reporting, actioning and managing risk
- tackling avoidable variances and changing practice

## ▼ JOINT OPENING SESSION

**Chairman: Marie Kehoe** Board Member The European Pathway Association and President The Irish Society for Quality and Safety in Healthcare

### 10.00 Welcome and conference overview

**Kris Vanhaecht**

Joint Chair

The European Pathways Association (EPA)

## ▼ STREAM A: CRITICAL SUCCESS FACTORS

### 14.55 Variance analysis in practice

**Adrian Roberts**

National Care Pathways Coordinator BUPA Hospitals

- understanding the root causes of variance
- aggregate variance analysis: variance analysis, national audit and the impact on clinical redesign
- how we manage variance in over 100 pathways at BUPA

15.15 Questions and answers followed by tea and exhibition at 15.20

## FOCUS: DELIVERING ON, AND MONITORING PATIENT CENTRED GOALS AND OUTCOMES

### 15.40 Setting goals, process and outcomes indicators

**Patricia Kent**

Integrated Care Pathways Manager with

**Yvonne Chalmers**

Organisational Development Manager Change and Innovation Department, NHS Lanarkshire

- setting the goals, process and outcome indicators that will best improve clinical practice: highlighting priority issues
- incorporating goals and outcome indicators into variance points
- our approach and developments in NHS Lanarkshire

### 16.10 Monitoring and evaluating the impact: delivering a pathway for a high risk condition

**Suzanne Delaney**

Diabetes Specialist Nurse Lothian University Hospitals NHS Trust

- why develop an integrated care pathway for a high risk condition?
- developing and implementing the care pathway for Diabetic Ketoacidosis
- improving patient safety and reducing risk: evaluating and monitoring the impact of the pathway in Edinburgh

## ▼ JOINT CLOSING SESSION

### 16.40 Announcement and presentation of the Winner of the 2007 Belgium Dutch Clinical Pathway Network Project of the Year

The winners will be invited to give a short presentation about the project

17.10 Final question and answers

## 10.15 Keynote introduction: Care Pathways, Quality Improvement and Patient Safety: International experiences with care pathways

### Kathy Bower

*Principal and Co-Owner*  
The Centre for Case Management,  
USA

- care pathways and quality improvement: moving forward
- the role of pathways in improving patient safety
- innovation in care pathway development: an update from the Centre for Case Management

11.00 Questions and answers followed by coffee and exhibition at 11.15

## CONFERENCE SPLITS

## ▼ STREAM B: MASTERCLASSES

### 11.40 – 13.00 A: BEGINNERS WORKSHOP

#### Facilitator: Jenny Gray

*Editor* The Journal of Integrated Care Pathways *and Director* Venture Training and Consulting

- kickstarting the ICP process: where to start
- hints and tips for beginners
- process Mapping
- working through pathways

13.00 Lunch and exhibition

### MANAGERS MASTERCLASS

(THESE MASTERCLASSES ARE AIMED AT THOSE WITH AT LEAST TWO YEARS EXPERIENCE OF WORKING WITH CARE PATHWAYS)

**Chairman: Kathy Bower** *Principal and Co-Owner* The Centre for Case Management, USA

### 14.00 – 15.20 B: METHODOLOGY MASTERCLASS

Presentations will explain various ICP methodologies used, the benefits and drawbacks of each approach will then be evaluated.

#### UK methodology: validation

#### Claire Whittle

*National Care Pathways Facilitator* Department of Health, *Project Manager* Integrated Care Pathways Appraisal Tool West Midlands SHA *and Lecturer* University of Birmingham

#### Belgium Dutch Clinical Pathway Network 30 steps methodology

#### Eveline Depreter

*Nursing Manager*  
AZ Sint Jan, Belgium

Eveline will give an overview of the 30 steps methodology including the findings of transferring the methodology in cross boundary settings

#### US methodology: linking with technology

#### Sally Healy

*Clinical Pathways Coordinator and EMR Core Design Team Member*, Roswell Park Cancer Institute, USA

Sally will give an overview of the US approach, focusing in particular on linking care pathway methodology with electronic medical record technology

#### A four step model for delivering an ICP from New Zealand

#### Fiona Hughes

*General Manager, Surgical Services* Carmarthenshire NHS Trust

Fiona will give an overview of the four step meeting model for implementing an ICP which originated in New Zealand and has now been adopted by the Welsh Assembly Government

15.20 Tea and exhibition

## ▼ STREAM C: SPECIALTY SPECIFIC FOCUS ISSUES AND WORKSHOPS *listed on page 3*

### 15.40 – 16.30 C: MANAGING MULTIPLE CARE PATHWAYS: KEEPING UP MOMENTUM

#### Managing multiple pathways: The Nuffield Pathway Laboratory

#### Emily McWhirter

Nuffield Hospitals

- standardising care pathways throughout Nuffield Hospitals
- managing multiple pathways: the challenge and tips for success
- keeping the momentum going and managing the variance outcomes from the pathways

#### Managing multiple pathways: Interactive Panel Discussion

Panel members include:

#### Sarah Caldicott

*National Care Pathways Facilitator* Department of Health *and Chair* Pathways Across Central England *and ICP Coordinator* Hereford Hospitals NHS Trust

#### Angela Hughes

*Care Pathway Coordinator* Cardiff and Vale NHS Trust

#### Adrian Roberts

*National Care Pathways Coordinator* BUPA Hospitals

### 16.30 – 17.10 D: ICP MANAGERS MASTERCLASS

#### Managing the ICP team

Presentations followed by Group Work discussing Key issues. Presenters include:

#### Amanda Layton

*Director* Layton Learning and *Author* 'How to successfully implement Clinical Pathways' and 'Developing Care Pathways'

#### Patricia Kent

*Integrated Care Pathways Manager* NHS Lanarkshire

#### Representatives from the European Pathway Association

- managing the ICP department
- training, communicating and educating staff in the use of Care Pathways
- validating Care Pathways

### E: INDIVIDUAL OR TEAM SESSIONS TO DISCUSS YOUR ICP

Led by Venture Training and Consulting – at any time during the conference book via Jenny Gray at Venture

## EVENING NETWORKING DRINKS FORUM

## ▼ JOINT OPENING SESSION

**Chairman: Dr Ricard Rosique** *Senior Consultant and Consultant, General and Gastrointestinal Surgery Diomedes Health Care Consultants*

### 10.10 Care pathways in Japan: innovative perspectives

**Hidehisa Soejima**

*Vice President Saiseikai Kumamoto Hospital, Japan, and Member The Japanese Society for Clinical Pathways*

- 100+ pathways at Saiseikai Kumamoto Hospital
- developments from the Japanese Society for Clinical Pathways
- variance analysis in Japan: our approach

## ▼ STREAM A: CRITICAL SUCCESS FACTORS

### CRITICAL SUCCESS FACTOR: GAINING BOARD COMMITMENT, MULTI-DISCIPLINARY TEAMWORKING AND CLINICAL ENGAGEMENT

#### 11.40 Gaining board and organisational commitment: the executive management function in care pathway development

**Sir Graham Morgan**

*Executive Director of Nursing North West London Hospitals NHS Trust*

- the executive management/board functions role in ICP development: gaining corporate ownership and leadership for Care Pathways
- developing clinical care pathways as a core strategy in planning, developing and delivering services
- our approach in North West London Hospitals

#### 12.10 Developing a team approach and commitment to successful ICP development

**Jackie Harley** *Project Manager Workforce Planning with*

**Catherine Goode** *Surgical ICP Lead States of Jersey Health and Social Services*

- overcoming the challenge of multidisciplinary teamwork to positively inform the pathway process
- critically appraising teamwork during the ICP development and implementation phases
- case study: implementing an ICP for Elective Colorectal Surgery incorporating the Enhanced Recovery Program

#### 12.35 Involving patients in developing and delivering pathways

**Paula Clarke**

*Consultant Midwife Birmingham Women's Hospital NHS Trust*

- involving patients in pathway development
- developing patient friendly pathways
- our approach and how we have involved women in pathways in Birmingham

**13.10** Questions and answers followed by lunch and exhibition at 13.20

### CRITICAL SUCCESS FACTOR: EDUCATION AND TRAINING

#### 14.00 Educating and training staff on the use of care pathways

**Jonathan Hill**

*ICP Development Officer Gloucestershire Partnership NHS Trust*

- supporting and communicating with staff who are new to Care Pathways
- ward based training, team training and care pathway workshops
- communicating and training tips and our experiences

#### 14.45 Tackling non-compliance with ICPs: beyond education and training

**Dr Tanya Claridge**

*Research Associate (Honorary) Professional Development Advisor and Health Visitor Stockport NHS Foundation Trust*

- human error theory and ICP use; the importance of identifying non-compliance types
- key findings from multi-site research study

**15.10** Questions and answers followed by tea and exhibition at 15.15

## ▼ FINAL JOINT SESSION INFORMATION AND eCARE PATHWAYS

#### 15.30 Using data and information to inform care pathway development

**Barbara Coyle**

*Research Associate The Centre for Clinical Management Development Wolfson Research Institute*

- utilising current data and information to benefit pathway development
- what data is available, and how can care pathway developers use the data to answer questions in practice such as how to prioritise pathways for development, how to manage co-morbidity, and how method of admission affects pathway design
- making informed judgements based on information: practical tips for success

## 10.40 DEBATE

### The Value of Variance

All pathways should include variance tracking

**Proposer: Jonathan Hill**

*ICP Development Officer  
Gloucestershire Partnership  
NHS Trust*

**Seconder: Angela Hughes**

*Care Pathway Coordinator  
Cardiff and Vale NHS Trust*

### Pathways have value without variance

**Proposer: Professor Massimiliano Panella**

*Joint Chair The European Pathway Association,  
Professor of Public Health Piedmonte  
University and Chief Medical Officer  
Piedmonte Region, Italy*

**Seconder: Marie Kehoe**

*President The Irish Society for  
Quality and Safety in Healthcare  
and Board Member The  
European Pathway Association*

11.10 Coffee and exhibition

## CONFERENCE SPLITS

## ▼ STREAM C: SPECIALTY SPECIFIC FOCUS ISSUES AND WORKSHOPS *listed on page 3*

## ▼ STREAM B: UK NATIONAL ICP UPDATE

### FOCUS: UK NATIONAL ICP UPDATE

**Chairman: Deborah Murphy** *Directorate Manager/ National Lead Nurse-LCP,  
Hospital Specialist Palliative Care Team Royal Liverpool University Hospitals NHS Trust*

### 12.30 – 13.10 National pathway developments in England

**Katy Stainsby**

*National Care Pathways Facilitator  
Department of Health and Care  
Pathway Coordinator Gateshead  
Primary Care Trust*

**Sarah Furley**

*National Care Pathways Facilitator  
Department of Health and Care  
Pathway Coordinator Lincolnshire Care  
Pathway Partnership*

**Claire Whittle**

*National Care Pathways Facilitator  
Department of Health, Project Manager  
Integrated Care Pathways Appraisal  
Tool West Midlands SHA and Lecturer  
University of Birmingham, and*

**Sarah Caldicott**

*National Care Pathways Facilitator  
Department of Health, Chair Pathways  
Across Central England and ICP  
Coordinator Hereford Hospitals NHS Trust*

- the English approach: delivering national pathways for Diabetes, Falls, TB, Maternity, Parkinsons, Stroke, COPD, Day Surgery and Acute Head Injury
- linking with the National Programme for IT
- current developments and moving forward

13.10 Questions and answers followed by lunch and exhibition at 13.20

### 16.00 eCare Pathways: an update

**Mr Ian Scott**

*National Clinical Champion,  
Secondary Care  
The National Programme for IT  
and Medical Director and  
Consultant Surgeon  
Ipswich Hospitals NHS Trust*

- an update on the National Programme for IT
- where eCare Pathways fit into the National Programme
- moving forward with the template national care pathways

16.30 Final question and answers

## CONFERENCE CLOSES

### 12.30 – 13.10 National pathway developments in Wales

**Iain Roberts and Allan Cumming**

*National Leadership and Innovation  
Agency for Healthcare, Wales*

- the All Wales approach to pathways
- moving pathways forward in Wales: current developments
- case study: using an integrated care pathway to reduce length of stay

### 14.00 – 14.40 National pathway developments in Scotland

**Dr Ali El-Ghorr** *ICP Programme*

*Resource Manager with Linda*

**McKechnie, Rosie Cameron and Mark Fleming** *National Mental Health ICP*

*Co-ordinators NHS Quality Improvement  
Scotland*

- national ICP developments in Scotland
- accreditation of National Pathways
- developing a national strategy and standards for ICPs in Mental Health in Scotland

### 14.40 – 15.10 National pathway developments in Northern Ireland

**Carol Jackson** *ICP Coordinator*

*Downshire Hospital with*

**Noreen Hughes** *Care Pathways*

*Manager Royal Hospitals NHS Trust,  
Belfast*

- pathway implementation and development in Northern Ireland
- success factors and challenges
- two trust case studies

15.10 Questions and answers followed by tea and exhibition at 15.15

## POSTER DISPLAYS

Poster displays will take place in all breaks, lunches and during the evening reception throughout the conference. Poster presenters will be available to talk about their displays and answer questions the delegates may have.

- a. Breast cancer clinical pathways: focussing on patients support, information and coordination of care**  
**Lead Author: Laurence Morel** *Department of Gynaecology and Obstetrics Geneva University Hospitals, Switzerland*
- b. A care pathway for the diagnosis and management of Alzheimer's dementia in people with Down's syndrome**  
**Lead Author: Dr Jennifer Dolman** *SPR Learning Disabilities Gloucester Partnership NHS Trust and Learning Disabilities Services*
- c. A nutritional assessment training package to support a research project**  
**Lead author: Debbie Sutton** *Renal Research Dietitian Queen Alexandra Hospital, Portsmouth*
- d. An integrated care pathway to minimise the risks of blood transfusion**  
**Lead Author: Angela Hughes** *Care Pathways Co-ordinator Cardiff and Vale NHS Trust*
- e. Admission and discharge patient journey care pathway**  
**Lead Author: Mavis Kirby** *Clinical Services Co-ordinator Dudley Primary Care Trust*
- f. Integrated care pathways electronic manual**  
**Lead Author: Helen Christodoulides** *Service Improvement Facilitator Leeds Teaching Hospitals NHS Trust*
- g. Developing and implementing an adapted Liverpool Care Pathway for patients dying with renal failure**  
**Lead Author: Amanda Henderson** *Leeds Teaching Hospitals NHS Trust*
- h. National ICP development in Scotland**  
**Lead Author: Dr Ali El-Ghorr** *ICP Programme Resource Manager NHS Quality Improvement Scotland*
- i. A clinical pathway to organise care for chronic heart failure patients**  
**Lead Author: Toon Uyttersprot** *Hospital Network Antwerp, Belgium*
- j. A clinical pathway for normal delivery**  
**Lead Author: Evelyne Deguffray** *Hospital Network Antwerp, Belgium*
- k. Development of computerised patient clinical pathways**  
**Lead Author: Katrina Hurley** *Emergency Department, Halifax Infirmary, Canada*
- l. A study of the effect of a critical path for pressure ulcers**  
**Lead Author: Prof Yuka Kanoya** *Professor Course of Community Health Nursing School of Nursing, Yamagata University in Japan*
- m. Developing an integrated care pathway: the first one!**  
**Lead Author: Joanne O'Brien** *Theatre Dept, Beaumont Hospital, Ireland*
- n. A multi-agency ICP for children with behavioural problems**  
**Lead Author: Dr Julia Rogers** *Berkshire Healthcare NHS Trust*
- o. The development, implementation and evaluation of a cross boundary ICP for patients undergoing a radical prostatectomy**  
**Lead Author: Eveline Depreter** *Hospital AZ Sint-Jan, Belgium*
- p. The effectiveness of a clinical pathway in the emergency department in the treatment of abdominal pain in adults**  
**Lead Author: Tania Bridgeman** *University of California Irvine Medical Centre, USA*
- q. Sensory integration: from assessment and hypothesis to treatment modalities in learning disabilities**  
**Lead Author: Patricia Larrett** *Gloucestershire Partnership NHS Trust*
- r. A pathway for electro convulsive treatment (ECT)**  
**Lead Author: Carole Allaway Martin** *Gloucestershire Partnership NHS Trust*
- s. Integrating e pathways and robot aided unit dosing**  
**Lead Author: Bernhard Tenckhoff** *Berlin, Germany*
- t. From care bundle to care pathway**  
**Lead Author: Angela Hughes** *Care Pathway Coordinator Cardiff and Vale NHS Trust*
- u. How to promote, improve and test adherence to scientific evidence in clinical practice**  
**Lead Author: Francesca Diodati** *Italy*

## FURTHER INFORMATION

### Dates

Wednesday 27 and Thursday 28 June, 2007.

### Venue

Savoy Place, London WC2R 0BL. A map of the venue will be sent with confirmation of your booking.

### Accommodation

Special rates for hotels close to the venue have been arranged. Details will be sent with confirmation of your booking.

### Confirmation of Booking

All booking will be confirmed by email, unless stated otherwise on the booking form.

### CPD Credits

The conference has been accredited with 11 CPD credits.

### Group Rates

A 15% discount will be available to all but the first delegate from the same organisation booking at the same time.

### Exhibition

If you are interested in exhibiting at this event, please contact Carolyn Goodbody on 020 8481 0354 or email [Carolyn@healthcare-events.co.uk](mailto:Carolyn@healthcare-events.co.uk)

# Integrated Care Pathways 2007

27 and 28 June 2007, Savoy Place, London

a b c d e f g h i j k l  
Integrated care pathways

## How to book

Fax the booking form to  
020 8547 2300

Through our website at:  
www.healthcare-events.co.uk

Post this form to Healthcare Events  
2 Acre Road, Kingston, Surrey KT2 6EF

## Please tick the package you would like to book

**One day**  £340 + VAT (£399.50) for NHS and private healthcare organisations  
 £290 + VAT (£340.75) for voluntary sector/charities  
 £475 + VAT (£558.13) for commercial organisations

**Two days**  £545 + VAT (£640.38) for NHS and private healthcare organisations  
 £463.25 + VAT (£532.74) for voluntary sector/charities  
 £750 + VAT (£881.25) for commercial organisations

A 15% discount will be available to all but the first delegate from the same organisation booking at the same time.

Please tick which day you would like to attend  Wednesday 27 June  Thursday 28 June

## Please indicate which sessions you are most likely to attend:

### Day 1, 27 June

- Stream A: Critical Success Factors  
 Stream B: Masterclasses  
 Stream C: Workshop A – Primary Care  
 Stream C: Workshop B – Mental Health  
 Stream C: Workshop C – Pathways that cross healthcare boundaries  
 Stream C: Workshop D – Medical Pathways  
 Stream C: Workshop E – End of Life Care

### Day 2, 28 June

- Stream A: Critical Success Factors  
 Stream B: UK National ICP Update  
 Stream C: Workshop A – Surgical Pathways  
 Stream C: Workshop B – ICP Legal Workshop

Please tick if you would like to attend the evening drinks reception on Wednesday 27 June 2007

## ▶ Your details (Please complete a new form for each delegate. Photocopies are acceptable)
